PRESENTING

\$500

## America Recycles Day

November

America Recycles Day is the only nationally recognized day dedicated to promoting and celebrating recycling in the United States. Homes in Ouachita Parish are encouraged to drop off electronics, paper, plastics, cardboard, tires, clothing, furniture, scrap metal, and more.

TITLE

\$1,500

PRESENTING

\$750

# ABOUT OUACHITA GREEN

**Ouachita Green** is a nonprofit organization dedicated to preserving natural beauty, protecting the environment, preventing blight, litter abatement, promoting environmental education, and planning and participating in community enhancement projects that make Ouachita Parish a cleaner and greener community to live in.

Serving as the umbrella organization for **Keep West Monroe Beautiful**, **Keep Ouachita Parish Beautiful**, and **Keep Monroe Beautiful**, Ouachita Green provides organization and planning for beautification projects, litter abatement, fundraising events, and educational efforts for these three affiliates.

Volunteers are the spirit of our organization. The commitment of time and effort dedicated to the community through Ouachita Green volunteers and partnering organizations is a testament to the tremendous residents of Ouachita Parish.

While we are locally focused and locally active, our efforts combine to become part of a larger state and national movement. In partnership with **Keep Louisiana Beautiful** & **Keep America Beautiful**, our unified efforts will help positively shape the future for generations to come.

## FOCUS AREAS

### LITTER REDUCTION

Organizing cleanups and promoting the proper handling of discarded waste in our communities.

### EDUCATION

Education is key to helping the next generation understand the environmental impacts of their lifestyle.

### BEAUTIFICATION

Improving the visual aspects of our community with community gardens, highway and waterway beautification and restoration, native and wildflower plantings, and graffiti prevention and abatement.

### RECYCLING

Responsible consumerism, source reduction and reuse, recycling and education about landfills and proper household hazardous waste disposal.
